Plunger And Barrel Assemblies + Nozzle Groups For Caterpillar 3126 HEUI Injectors

Note: On the second page of this bulletin is updated application information for the DIPACO plunger and barrel assemblies and nozzle groups used to rebuild Caterpillar 3126 HEUI injectors.

All DIPACO plunger and barrel assemblies include the barrel, plunger, spring and retaining ring and washer, check ball and retaining spring. All DIPACO nozzle groups include the nozzle and needle, spacer, nozzle spring, lift pin and spacer, and are set to a standard VOP. Other aftermarket plunger and assemblies and nozzle groups do not meet these standards.

Also, DIPACO internal seal kit DPS0530 and external seal kit DPS0025 are used with all applications.
