

**New Super Kit For GM
6.6L LB7 Duramax
Injector Installation**

DIPACO / D Tech is introducing a new super kit for GM 6.6L LB7 Duramax injector installation. Part number for the kit is DT660026.

RTF26404 has everything you need to install four injectors on one cylinder bank. The kit includes one DT660022 kit (containing injector installation seals / gaskets, return line banjo washers and lower rocker cover gasket), twelve valve cover bolt noise isolator grommets (DT660014) and four valve cover injection line oil seals (DT660015).
