DIPACO is once again offering our injector parts tray, part number DPE99001. The parts tray is made from high density, impact-resistant polyethylene which is oil and solvent resistant.

The DPE99001 parts tray has 8 compartments measuring 7-1/2" x 2-1/2" x 1-3/4" deep. The tray has reinforced ribs for longer life, recessed hand holds for ease in carrying, and can be easily stacked.
