

More than just a source for superior electrical components, Chief Enterprises is a solutions provider, propelling us beyond the traditional vendor.

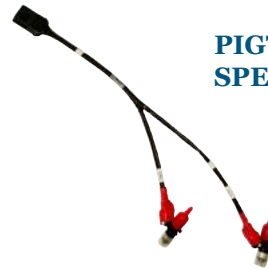

In addition to stocking a complete range of quality parts from industry leading manufacturers we also offer a variety of services including installation-ready pre-assembled components, custom kits, and product modification, all of which equip our customers with key advantages—saving them time, money, and resources.

ASSEMBLY

We can deliver pre-assembled components ready to install, allowing you to focus on your business and your bottom line.

PIGTAILS, EXTENSION & SPECIALITY HARNESSES

We produce production-quality wire harnesses with multiple fully and semi-automatic wire processing equipment.

ELECTRICAL & MECHANICAL MODIFICATION

We can modify existing parts to your specifications and that are tested to perform in the harshest conditions.

KITTING

We can streamline processes by creating service kits or kits of parts you and your dealers find pulling most often—saving time and money.

WAREHOUSING

For larger orders, we can provide partial shipments and store additional parts for you until you need them.

LABELING & LASER MARKING

We have the ability to provide customized labeling and laser marking allowing you to save time and resources.

LOGISTICS

We offer a number of shipping options to get parts to you quickly and cost efficiently.

PRODUCT SOURCING

If we don't stock the specific part you need, our procurement channels can track it down quickly for you.

Choosing Chief Changes Your Business...

- **Single source reliability, responsibility.** No need to contact multiple suppliers. Everything you need is one phone call away.
- **Streamline processes.** Instead of assembling individual components off-line, just install parts pre-assembled to your specifications.
- **Save money, save time.** Reduce labor costs and time spent, save on packing & shipping.
- **Quality Assurance.** We provide quality control and test all assembled components for guaranteed performance.

Let Chief do more for your business.

Chief Enterprises, Inc. | 545 West Lake St. Elmhurst, Illinois | www.chiefent.com | 630-530-1224

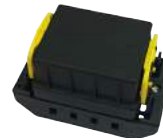

We partner with the world's leading manufacturers of connectors, circuit breakers, horns, and other products vital to your business.

We are more than a source for the best parts. We are parts specialists. Our experienced team works with you to help you find the best solutions for your specific needs. Above that, our industry leading partnerships coupled with our in-house capabilities allow us to do more for your business.

CONNECTORS, TERMINALS & SEALS

- Kompact, Trapezoid and JPT Low-Pole Connectors
- Dust Caps for Bosch Kompact & BAK Series Connectors
- High Pole Headers and Connectors
- DuraMate™ Multi-Pin Thermoplastic Connectors
- High Voltage Connectors
- Terminals & Wire Seals
- Crimping & Extraction Tools
- Custom Pigtails & Harnesses

POWER DISTRIBUTION & CIRCUIT PROTECTION

- Sealed Power Distribution Modules-BRIC®
- JCASE® Holders
- Inline and Bar Bussing Solutions
- ATO Fuse Panels
- Relay Sockets
- In-Line and Stand-Alone Fuseholders
- Circuit Breakers
- Thermal Circuit Breakers
- Fusible Links

RELAYS & SOLENOIDS

- Micro & Ultra
- Mini, Weatherproof & Time-delay
- HCR 75,150 & 200
- High Voltage Contactors
- BDS
- Maxi
- Solenoids
- PCB Relays

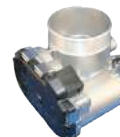

MOTORS, FANS & PUMPS

- Wiper, Window & Seat Motors
- Fractional HP Motors and Gearmotors
- Recirculation Pumps and Valves
- Axial and Blower Fans

JUNCTION BLOCKS, STUDS & BOOTS

- Junction Blocks
- Junction, Pass-Through & Jump-Start Studs
- Custom Blocks and Studs
- Insulator Boots

ENGINE / EV MANAGEMENT

- Sensors- O2, temperature, pressure, air mass, etc.
- Throttle Bodies
- Injectors
- On-board Battery Chargers
- Battery Management
- High Voltage Cables

AUDIBLE WARNING DEVICES

- Disc and Fanfare Horns
- Air Horns
- Solid State Horns
- Back-up Alarms
