## NEW 6.2 LITER ENGINE INJECTOR AND PUMP MOUNT KITS.

DIPACO has available injector and pump mount kits for the 6.2 liter engine. We have a complete pump and injector mount kit, part number DPE62100, a pump installation kit, part number DPE62110, and an injector installation kit, part number DPE62120. These kits include, as appropriate, the manifold gaskets, pump mount gasket, air cleaner base gasket, injector return hoses, hose clamps, and nozzle gaskets. The list prices shown are the prices you would pay from General Motors. All kits come packaged on shrink-wrapped cardboard for easy display at your parts counter. Following are the kit prices and parts breakdowns.

### DPE62100 6.2 Liter Pump and Injector Mounting Kit

2	DPE91586	Manifold Gasket
1	D14022651	Pump Mount Gasket
1	D14033942	Air Cleaner Base Gasket
8	D14066305	Return Hose
2	D14066301	End Cap
2	D10093148	Clamp
8	D14025557	Nozzle Gasket

### DPE62110 6.2 Liter Pump Installation Kit

2	DPE91586	Manifold Gasket
1	D14022651	Pump Mount Gasket
1	D14033942	Air Cleaner Base Gasket

### DPE62120 6.2 Liter Injector Installation Kit

1	D14033942	Air Cleaner Base Gasket
8	D14066305	Return Hose
2	D14066301	End Cap
2	D10093148	Clamp
