In these situations we may give credit for the damaged piece within the set or assortment but we are unable to replace just 1 piece of any minimum assortment.*
- 6) All credits will be given via the terms of the original order.
- 7) **NO UNAUTHORIZED RETURNS.** We ask that you please call Ohio Wholesale, Inc., to get an authorization to return any merchandise. Ohio Wholesale, Inc will not be responsible for freight charges on unauthorized returns.

BACKORDER POLICY

When placing your order, please give a cancel date and let the sales representative know if you accept backorders. All backorders returned without authorization, will be charged a 25% restocking fee, and the customer will be responsible for the freight charge.

Sometimes seasonal merchandise is sent even after the season based on availability unless it is cancelled by the customer and must be returned at the customer's expense. This can be avoided by adding a cancel date to your order at the time it is placed.

Customers are responsible for all items on their show orders once the order is signed. Customers may call with any changes to their show order as long as the order hasn't reached the shipping process. Any items not desired must be returned at the customers' expense and a 25% restocking may be applied.

Thank you for your understanding and cooperation; should you have any questions, please feel free to call our Claims Dept at 877.745.5050 or fax 1.330.769.1623
