NEW FUEL INJECTOR CUPS - STC AND HARDENED

DIPACO now has available four new cups for STC injectors as well as five cups available in hardened steel with EDM holes.

Following are the new STC cups and the number of holes, size, and angle.

D3052229	8-.0093 x 18°
D3052522	8- .008 x 18°
D3052630	8- .009 x 18°
D3070615	8-.0065 x 18°

The dealer price for these cups is CN\$ 7.45 each and they come in package quantities of six.

DIPACO is also offering several cups in hardened steel. Where our normal cups have a hardness of Rockwell C30 the hardened cups have a hardness of Rockwell C45. These cups are more erosion resistant and should provide longer service life. The cups use the same number as our regular cups except they end with the letter H. Following are the cups now available.

D3012535H
D3012536H
D3012537H
D3013538H
D3023556H

The dealer price for these cups is CN\$ 6.23 each and they come in package quantities of six.
