

The DTech ASAP Shipping Program

The DTech ASAP Shipping Program provides for discounted overnight shipping of select DTech products¹. Below are the applicable products, their overnight shipping charge and conditions. Contact your DIPACO / DTech Account Manager or Customer Experience for complete details.

Product	Overnight Shipping Charge
DTech Injectors	\$25 for qty 1-4 or \$45 for qty 5-8
DTech Pumps	\$45 each
DTech ICP, IPR, or PMD	\$15 each
DTech FICM, or IDM	\$25 each

Program Conditions

1. ASAP shipping available to the contiguous 48 United States covered by UPS.
2. Customers may pay the applicable DTech SD, Jobber, DPC, or WD price for the product. No other product discounts may apply.
3. Any item(s) in the DTech Catalog not listed above (excluding turbochargers) may be added to your ASAP shipment for an additional \$10 fee per order².
4. Customers must specify ASAP shipping when placing an order by writing or notating ASAP Shipping on the order. If ordering online, enter "ASAP Shipping" in the order notes and select NDA as the ship option.
5. Pricing and conditions effective September 22, 2016.
