IMPORTANT:

Please read and follow all safety statements, warnings, assembly instructions, use & care directions before attempting to assemble.

WARNING:

1. When installing and assembling your gazebo, it is recommended that 2 or more adults are involved.
2. This product is intended for outdoor use only and should be placed on flat, horizontal ground.
3. Ensure enough clearance around the product.
4. Do not use the unit during an electrical storm, as there is a remote chance of getting struck by lightning.
5. Do not climb on top of the gazebo. Falling off the gazebo can result in serious injury, possibly even death.
6. Never barbecue under this gazebo or use lanterns that contain naked flames.

7. This package contains small items and plastic bags that should be kept away from children.
8. Ensure that all connectors & poles are firmly secured in position fully. It is important to do so before use so as to avoid collapsing or damage to the item, which could result in injury.
9. WARNING: Keep all flame and heat sources away from this gazebo fabric. This gazebo is made with fabric that meets CPAI – 84 specifications for flame resistance. It is not fire proof. The fabric will burn if left in continuous contact with any flame source. The application of any foreign substance to the gazebo fabric may render the Flame-resistant properties ineffective.
10. WARNING: Please take down the gazebo during strong wind. The manufacturer or retailer is not liable for any loss of the product or other items due to the failure to take down the gazebo during strong wind.
11. Hook maximum weight: 26 lbs.
