## **ARE THEY RICH BECAUSE THEY'RE SMART?**

*Class, Privilege,  
and Learning  
under Capitalism*

*Are They Rich Because They're Smart?* explains the sharpening class inequalities in the United States and the resulting conflicts accelerated by today's slow-burning world depression. It takes apart the self-serving rationalizations of a growing layer of well-paid professionals that their schooling and "brightness" equip them to "regulate" the lives of working people, who can't be trusted to know what's in our own interests.

In the coming battles forced upon us by the capitalist rulers, says Jack Barnes, workers will begin to transform ourselves and our attitudes toward life, work, and each other. Only then will we discover our own worth and learn what we're capable of becoming. Jack Barnes is national secretary of the Socialist Workers Party.

Introduction by Steve Clark, photos, index.

ISBN 978-1-60488-087-8 US\$10

*Are they rich  
because  
they're smart?*
