

CROSLEY®

the Rocket Jukebox

ALL REVVED UP AND READY TO GO.

Taking its name from 'Rocket 88' by Jackie Brenston and the Delta Cats, the Crosley Rocket Jukebox lives up to its namesake, exuding true rock 'n' roll sound and style. Simply load up the 80 CD mechanism with your favorite albums and feel the power of the 300 watt stereo amp pouring out of the speakers. With vintage styling from cabinet to lettering, the Rocket Jukebox is as pretty as the Oldsmobile that inspired the song.
