

**Fuel Injection Lines
For GM 6.6L Duramax
LLY-LBZ-LMM Engines**

The fuel injection lines for GM Duramax LLY, LBZ, and LMM engines are now available from D Tech. Each D Tech fuel injection line can be used on the applicable cylinders in all three engine designations. Below are the part numbers and cylinder applications:

DTech Part	Cylinder Application	GM Part Numbers	
		LLY/LBZ	LMM
DT660036	Cylinders 1 & 8	97378825	98006523
DT660037	Cylinders 3 & 6	97378826	98006524
DT660038	Cylinders 4 & 5	97378827	98006526
DT660039	Cylinders 2 & 7	97378828	98006527

Each part number is shown below.
