

PRICING	
Price L - Suggested List Price	
Error	Price not included in a pricing update during the past year
Resolution	<ul style="list-style-type: none"> Export list of items with this error from the IDW Excellence Module. Extract current B5 from the IDW that includes each of the items on the error list. Load B5 back into the IDW, which will reset the one-year guideline. Check the IDW Excellence Module the next day for any remaining errors.
