Power Stroke Injector Parts - Part 2

DIPACO has added two more pieces to the components offered for the Power Stroke injector as well as improving the **DPE41007/31** nozzle group. The **DPS0013** dowel pins are now available. The **DPS0013** pins are used to place the spacer sleeve in-line with the nozzle tip. Also added is the **DPS0014** check ball used in the stop plate. See Product Information Bulletin FI-067 for more information on available Power Stroke injector parts.

DIPACO has begun including the spacer sleeve with the **DPE41007/31** nozzle group along with some other changes. See Product Information Bulletin FI-076 more information on this change.

- * DPE41007/31 Nozzle Group Parts identified with * are included in the nozzle group. Refer to DIPACO Product Information Bulletin FI-068, July 1999.
- # DPE06000/31 P&B Group Parts identified with # are included in the P&B group. Refer to DIPACO Product Information Bulletin FI-069, July 1999.
