D4N0432 Governor Bearing for Caterpillar 33304/3306/3406

DIPACO now has available the **D4N0432** bearing for use in Caterpillar mechanical governors for 3304, 3306, and 3406 new scroll style fuel pumps. This bearing is used to support the floating governor shaft and should be replaced every time the governor is torn down.

The circled area in the drawing below shows the location of the bearing.

Typical 3304/3306 Mechanical Governor
