

## **Training CD-ROM and Tool Kit for Caterpillar New Scroll Fuel Systems**

---

DIPACO has released the CD-ROM version of our training for Caterpillar 3304/3306/3406 new scroll fuel systems. The CD-ROM, **DPE30115**, incorporates our on-site training and covers the theory, operation, disassembly, assembly, and testing of the fuel system. The CD-ROM also shows the proper use of the **DPE30105** new scroll tool kit in the fuel pump repair.

Along with the CD-ROM, DIPACO also has available the **DPE30105** new scroll tool kit. We have put into one kit all the tools needed for the repair and calibration of Caterpillar 3304/3306/3406 new scroll fuel systems. The tool kit also includes the **DPE30115** training CD-ROM. The CD-ROM will also be mailed to all prior purchasers of the **DPE30105** tool kit.

DIPACO also has available a training CD-ROM, **DPE30110**, and tool kit, **DPE30100** for Caterpillar 3208/3304/3306 sleeve-metering fuel systems.

In order to view and use either training CD-ROM, you must have Adobe Acrobat Reader software loaded onto your computer.

Whether you are looking for a way to start repairing Caterpillar Fuel systems, or have been repairing the systems for some time, you will find our training CD-ROMs to be an easy to use and invaluable reference.
