

Control Valve Seal Kit for Caterpillar and Delphi EUI Injectors

A control valve seal kit for Caterpillar and Delphi EUI injectors is now available from **DIPACO**. Part number **RTF26034** is used on Caterpillar EUI injectors and Delphi model A3 EUI injectors. The **RTF26034** kit includes the seals and screws for servicing the EUI control valves.

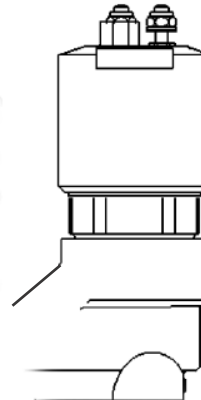

RTF26034 Kit

NOTE: The **RTF26034** kit can not be used to service early Caterpillar 3176 EUI injectors which have a different control valve assembly. See the pictures below to identify the appropriate control valve.

Current Style Caterpillar and Delphi
Control Valve

Early Style Caterpillar Control Valve
