

External Seal Kit for Mack E-Tech Injectors

DIPACO now has available the nozzle washer for Mack E-Tech injectors, part number **D590GB2166**. We have added the nozzle washer to the injector o-rings we already supply, part numbers **D446GC2124** and **D446GC2125**, to create an injector seal kit, part number **DPE48200**.

The injector seal kit can be used on the following Mack E-Tech injectors:

736GBM
736GBM2
736GBM3
736GBM4
