

Nozzles for Volkswagen TDI Applications

DIPACO has added three nozzles for Volkswagen 1.9L TDI applications.

Two of the part numbers, **RTFDSLA150P672** (0433175139) and **RTFDSLA150P706** (0433175150), are used in North America Volkswagen Beetle, Golf, and Jetta vehicles. Nozzle **RTFDSLA150P672** is used in nozzle holder assembly 0432193702 and **RTFDSLA150P706** is used in nozzle holder assembly 0432193695. These applications are in engine number ALH with a 66 kW rating.

If you are looking for a *High Performance* nozzle, part number **RTFDSLA150P520** can be used. It is used on 1.9L TDI applications in Europe with engine numbers AFN, AHF, ASV, and AVG with an 81 kW rating. This nozzle puts out a higher flow than the nozzles used in North American applications.
