

Nozzles for Cummins Celect Injectors - Updated

Below is a listing of currently available DIPACO nozzles for Cummins CELECT injectors, including engine model and nozzle markings for reference. Page two contains Cummins CPL reference. Page three and four contain a nozzle to injector cross reference and injector to nozzle cross reference. **DIPACO** also has available injector repair parts for the Celect injector. Please see the **DIPACO Rebuild The Future®** catalog for more information. This bulletin supercedes **DIPACO** Product Information Bulletins FI-137 and FI-156. Items added since the original publishing of this bulletin are in bold.
