Custom Dividers

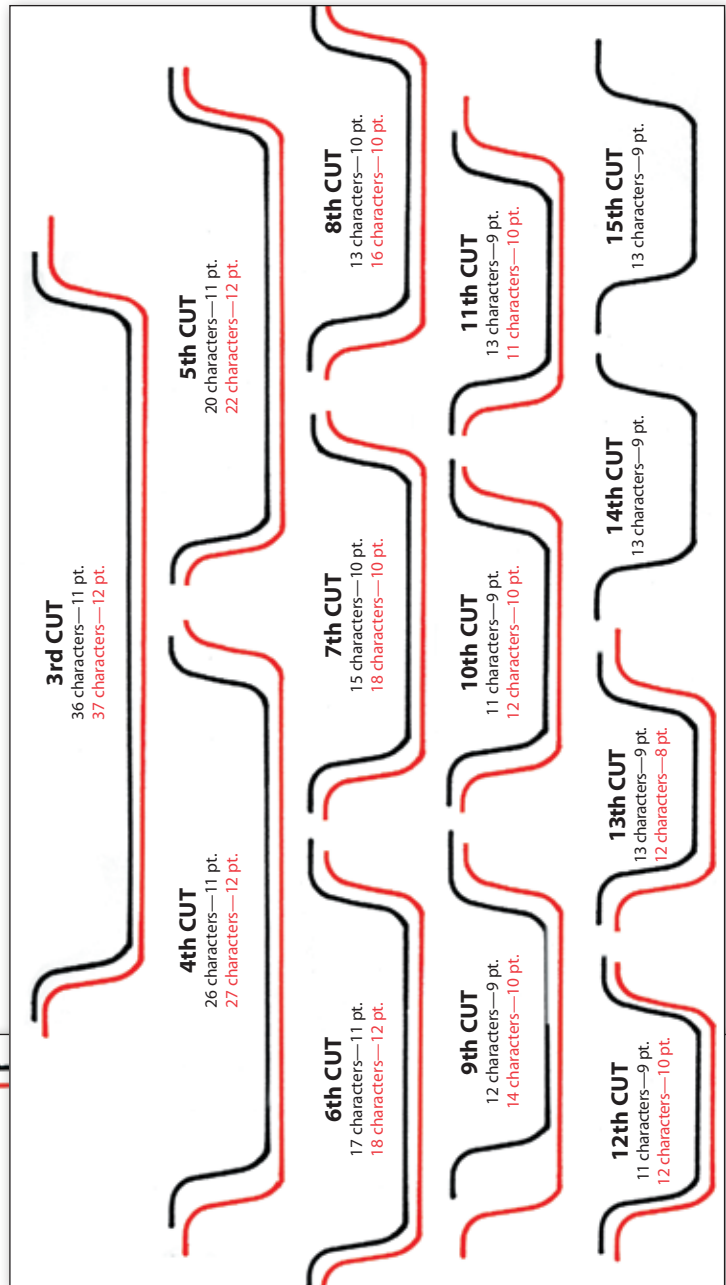

1. Select your material: paper, poly or Tyvek
2. Select your tab style: side or bottom tabs
3. Specify your hole punching.
Note: Poly is only available in 5-hole top or 7-hole side punching. See page 10 for options.
4. Specify your tab size (cut), title(s) and colors, using the color and size charts. If you have any questions about these options, call a Briggs® Custom Product Specialist to assist you.
5. Place your order however it's most convenient for you—**it's that easy!**
