

Custom Imprinting is Cost-Effective and Saves Time!

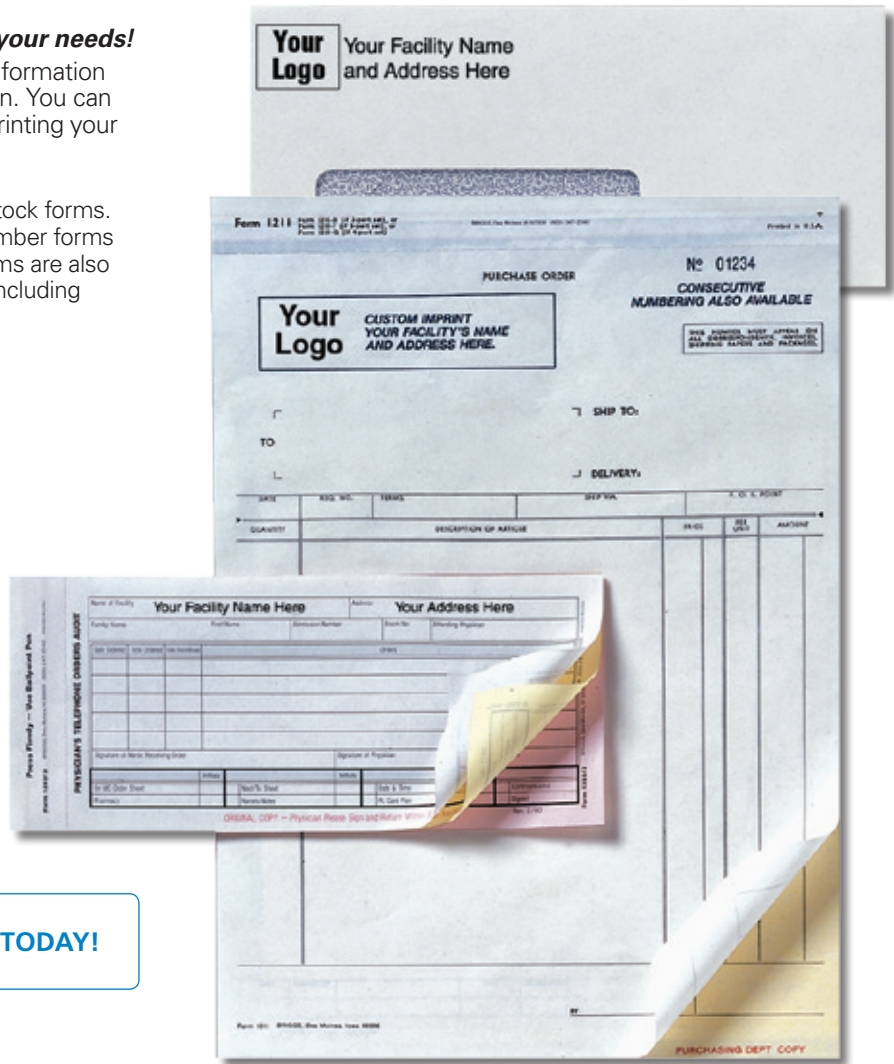

Tailor Briggs® stock forms to meet your needs!

Save valuable time by imprinting the information your staff is writing time and time again. You can personalize Briggs stock forms by imprinting your name, address and other information.

Imprinting is an option on most Briggs stock forms. You can "bar code" or consecutively number forms to aide in your record keeping. Laser forms are also available for imprinting and numbering, including Payroll and Accounts Payable checks.

Most Commonly Imprinted Stock Items

- Telephone Orders
- Valuables Envelopes
- Purchase Orders
- Nursing Visit Notes
- Lab Reports
- Employment Applications
- Patient Cash Vouchers

Custom Imprinted Ringbinders

Clearly Identify Your Ringbinders with Custom Imprinting

You can imprint your facility name, logo, department names, manual titles, etc., on Briggs 1-1/2", 2" or 2-1/2" ringbinders. The imprint you choose can be hot-foil stamped on the recessed areas of the front cover and/or the spine.

Imprint colors available: White, Black, Gold and Silver
