T-20*	DPE99051-T206	T-20	DPE99059
T-25*	DPE99051-T256	T-25*	DPE99060
T-27*	DPE99051-T276	T-27	DPE99061
T-30*	DPE99051-T306	T-40*	DPE99062
		T-45	DPE99055

Standard
6-Point Capscrew

Anti-Tamper
5-Point Capscrew

The anti-tamper 5-point capscrews are used to meet U.S. federal regulation requiring fuel systems to have a greater resistance to tampering. These tools should only be used to assemble, repair, or adjust fuel systems according to factory specifications.
