

# The Electronic Form Solution for Your Documentation Content Needs!

You have trusted Briggs Healthcare® to provide your Clinical and Regulatory compliant documentation.

**Now there is eBriggs®**  
an electronic form solution for EMR providers.

eBriggs® is a complete package of the value-added Briggs® forms that will continue to help you with your clinical documentation needs while removing the pain associated with keeping up with regulatory changes.

**eBriggs® does the work; you enjoy the benefits:**

- ✓ The Briggs® forms integrated into your EMR.
- ✓ Clinical and Regulatory compliant forms – always up-to-date.
- ✓ Survey teams are familiar with Briggs® forms.
- ✓ **With eBriggs® we take the need for you to build or maintain your custom or state forms inside your EMR. We'll do that so you can concentrate on providing care.**

**Discuss the eBriggs® solution with your current or future software provider.**
