

Position: Digital Marketing Specialist
Location: Eden Prairie, MN
Exemption Status: Exempt
Division/Department: Product Management
Posting Date: Revised December 6, 2018

Position Summary

The Digital Marketing Specialist is the digital expert at Pinnacle responsible for independently managing day-to-day digital activities on our company websites, social media platforms, and our customer's digital needs. Accountable for working on multiple projects at one time through completion.

Primary Responsibilities

- **Digital Partner Management/Engagement:**
 - Manage the relationships and execution for all digital assets with our retail, industrial and corporate customers.
 - Serve as main point of contact for all digital marketing projects.
 - Verify that materials meet desired specifications and are complete by established deadlines in collaboration with client departments.
 - Partner with our retail customers to manage our collaborative market strategy.

- **E-Commerce and Website Management/Engagement:**
 - Help maintain/update our corporate and branded websites.
 - Maintain technical and marketing content within our e-commerce website.
 - Proactively identify and resolve SEO opportunities and issues while improving SEO results through keyword tracking. Utilize SEO to drive revenue.
 - Analyze web traffic and suggest solutions to boost web presence.
 - Keep up to date with our guests' preferences and suggest new campaigns.
 - Stay up to date with digital technologies and developments.
 - Help to identify new or expanded tactics to drive program performance.

- **Social Media Management/Engagement:**
 - Build and manage the company's social media profiles and presence (Facebook, Twitter, Instagram, Corporate LinkedIn, Corporate YouTube).
 - Utilize Hootsuite to schedule and post content. Monitor and engage in relevant social discussions about our company.
 - Run social promotions and campaigns and track their success.

- Explore ways to engage and identify new social networks.

Qualifications and Skills

- Bachelors in Marketing or related degree, or previous experience in the field.
- Two years of direct experience in eCommerce, digital advertising, website design, E-Commerce platforms, WordPress, Social Media, and HTML.
- Proficient in Microsoft Office (Word, Excel, Outlook, PowerPoint) and ad serving tools such as Google Analytics and Google Adwords as well as Internet browser software is required.
- Superior project management skills with the ability to complete work accurately in a time-sensitive environment.
- Work efficiently and independently, have a level of discretion and initiative, as well as superior communication cross-departmental.
- Grammar and writing skills are a must.
- Responsible for other duties and projects as assigned.
- Experience in Adobe Creative Suite a plus (Adobe CC Photoshop, Illustrator, InDesign).
- Familiarity with video and photography is a plus.
