with
Aloe

Convenient. Safe. Effective. Fast.

This unique, clear green gel provides broad spectrum antimicrobial properties to sanitize hands without requiring water or a rinse. It is also formulated with aloe and vitamin E to minimize drying or irritation of skin. This instant hand sanitizer will reduce the chance of food contamination, and cross contamination or infection caused by germs. The convenient waterless application is ideal for use when water is not available. It has a fresh fragrance and unlike other alcohol gels, this product does not have or leave an alcohol odor.

Features	Related Benefits
Broad spectrum sanitizer	- Kills 99.9% of common bacteria in 15 seconds
Contains aloe and vitamin E	- Moisturizes and conditions skin
Fresh fragrance	- Leaves hands smelling fresh and clean
Convenient to use	- No soap, water or towels needed
Kills odor causing bacteria	- Removes malodors from hands
