

This hand soap is made with pure coconut oil. All of the natural glycerin from the oil is retained, so the soap lathers —even in hard water. CRESCENT HAND SOAP cleanses the skin thoroughly, rinses freely, and leaves the hands feeling soft. Contains the antimicrobial agent 4-chloro-3,5-xyleneol.

DIRECTIONS

Read Safety Datasheet before using this product.

The reduction of microorganisms on hands is dependent on proper hand hygiene.

Wet your hands with clean, running water (warm or cold), turn off the tap, and apply soap.

Lather your hands by rubbing them together with the soap. Be sure to lather the backs of your hands, between your fingers, and under your nails.

Scrub your hands for at least 20 seconds.

Rinse your hands well under clean, running water.

Dry your hands using a clean towel or air dry them.

Do not release concentrate directly to surface water or groundwater.

CRESCENT HAND SOAP es un jabón líquido para las manos. Produce una espuma abundante y deja una fragancia fresca en las manos.

For Industrial and Commercial Use Only.
