

New Turbochargers For Ford 7.3L Power Stroke Engines

DTech now provides new, OEM turbochargers for Ford 7.3L Power Stroke engines. We offer turbochargers with or without the Exhaust Back Pressure Device (EBPD) and pedestal. See below for complete application information.

Application Caution: The Power Stroke engine model had many updates during its production; to ensure you're ordering the correct turbocharger, the vehicle model and year, engine ID number or engine serial number must be known. To ensure the correct part is ordered, provide the information to DIPACO / DTech Customer Experience.

All Ford 7.3L turbochargers are backed by the DTech two year, unlimited mileage warranty*. No core fee or core return is required.
